All General Practice Nursing Information Under One Roof...

<http://bit.ly/gpnsinglep>

The GPN Single Point

Our collaboration and information portal is your single point of access for up-to-date assured GPN information. Facilitated by NHS England and the Future NHS platform, it's your opportunity to access the resources generated by the General Practice Nursing Ten Point Plan.

It's easy to use, a single sign on and accessible over multiple platforms inc. Smartphones.

Register your interest by mailing
