

**Are you a Health Care Professional in
Bedfordshire, Luton or Milton Keynes?**

Vaccination Training (including COVID 19 Update)

Tue 8th February 2022

BLMK Training Hub are pleased to be able to offer vaccination training. This course is open to all healthcare professionals including those who are new to vaccinations (although it can be used a refresher). It will be delivered by ECG training and will take place as listed below. Delegates will attend one of the following sessions;

Tuesday 8th February 2022 09:00 - 12:30 or 13:30 - 17:00

Venue: The Moorfield Room, The Rufus Centre, Steppingley Road, Flitwick, Bedfordshire, MK45 1AH

Course overview

This course is designed and open to all healthcare professionals including those new to vaccinations (although it can be used a refresher). It covers all practical skills required to vaccinate adults and children over the age of 2 and the practical skills required to deliver COVID vaccinations.

Delegates will also have access to the online theory course which includes:

- seasonal influenza and COVID specific vaccination information.
- IM & SC injections
- reconstitution of vaccines
- multi dose vial injections
- intranasal vaccination
- CPR, anaphylaxis and adrenaline for children and adults

(Please note: delegates will be enrolled onto the eLearning a few weeks before the training)

The courses also covers:

- Recognition and treatment of Anaphylaxis – including drawing up adrenaline
- Recognition and treatment of faints
- Basic life support (Adults)
- Paediatric basic life support (if any paediatric injections are included)
- Recovery position
