

**Are you a Nurse or Allied Health Professional in Bedfordshire, Luton or Milton Keynes?**

# Diabetes Update

21st April 2022 13:30 - 16:30

**BLMK Training Hub are pleased to be able to offer Diabetes Update training for Nurses and AHPs. This course will be delivered by Beverley Bostock, Godiva Primary Care Training Ltd and will be run via MS Teams.**

## Course Summary

This session is for people who have a background knowledge of how to diagnose and manage diabetes and provides an evidence-based update on the holistic management of diabetes.

By the end of the session attendees will be able to:

- Recognise the different types of diabetes that present and how they are diagnosed
- Implement evidence based guidelines on treating blood glucose
- Consider the importance of CVD prevention in people with diabetes
- Manage sick days and advise on DVLA rules and insurance issues
- Apply nationally and internationally recognised guidance on blood pressure and lipid management in people with diabetes

**If you are interested in this opportunity please complete the expression of interest form and send back to [ccs.blmk.traininghub@nhs.net](mailto:ccs.blmk.traininghub@nhs.net)**
