The screenshot shows the NHS Knowledge and Library Hub website. The top navigation bar includes links for 'New Search', 'Journals A-Z', 'Register for NHS OpenAthens', 'library.nhs.uk', 'Preferences', 'Language', 'Help', and 'Logout'. The main content area features the NHS logo and the title 'Knowledge and Library Hub'. Below this, a search bar is displayed with the text 'Searching: Trusted evidence for the NHS, from Health Education England'. The search bar has a 'Keyword' dropdown menu, a text input field with the placeholder 'Enter any words', and a 'Search' button. Below the search bar, there are links for 'Search Options', 'Basic Search', 'Advanced Search', 'PICO Search', and 'Search History'. The page is divided into four columns of links: 'Clinical decision making' (NICE Guidelines, NICE Evidence, BMJ Best Practice), 'In-depth searching' (AMED, British Nursing Index, CINAHL, Cochrane Library, EMBASE, EMCARE, Medline, HMC (Health Management Information Consortium), PsycINFO, Trip Pro Database, Pubmed), 'Other resources' (NHS Learning Hub, Directory of Health Libraries, Patient Experience Library), and 'NHS OpenAthens' (OpenAthens Registration, OpenAthens Password Reset, Having Problems with OpenAthens?).

Abstract

Background: Cardiovascular risks are raised in cancer survivors but cancer history is not included in cardiovascular risk scores that inform preventive decisions.

Aim: To assess whether cancer diagnosis should be included in cardiovascular risk scores.
