

**Are you a registered Pharmacist wanting to  
develop your career?**

## **Credits towards PG Diploma in Pharmacy Practice** **Intake dependent on module**

BLMK Training Hub are pleased to be able to offer funded places for individual credited modules towards the PG Diploma in Pharmacy Practice for registered Pharmacists employed in General Practice in Bedfordshire, Luton or Milton Keynes. Please note that we can't accept applications from anyone currently completing the CPPE pathway unless you are due to complete before the course you are applying for.

Funded credits are available at the University of East Anglia and for more information including course details, start dates please visit the University website: [Post-registration training for pharmacists - About \(uea.ac.uk\)](https://uea.ac.uk/post-registration-training-for-pharmacists-about)

Funding will apply to credits for individual modules which can be used towards completion of the PG Diploma in Pharmacy Practice (120 credits). There are a range of modules to apply for. Credits obtained will be eligible towards the PG Diploma for 5 years.

### Modules

- Professional portfolio - 30 credits - 2 years to complete

The below are all 10 credits each and take approx 3 months to complete:

| • Respiratory Disease (Asthma and COPD)  |   |

\*Indicates a mandatory module if intending to seek the full PG Dip or RPS credentialing.

\*\*Indicates additional mandatory modules for RPS credentialing only.

Learners may study modules individually for development, plan to complete enough modules to gain credits for the PG Diploma or plan completion of modules to gain the PG Diploma and seek RPS credentialing. Please note that credits need to be funded within the 2023/24 financial year and you will need to ensure you are enrolled by 31st March 2024 for any modules where the start dates is after this date.

Please see timetables for relevant intakes and study days and contact [pha.nqp@uea.ac.uk](mailto:pha.nqp@uea.ac.uk) with any course enquiries.

You will be required to have another Pharmacist in the Practice to act as a Pharmacy Tutor (training will be provided by UEA). This may be a PCN Pharmacist who will have the opportunity to observe your practice.

**If you are interested in this opportunity please complete the expression of  
interest form and send back to [ccs.blmk.traininghub@nhs.net](mailto:ccs.blmk.traininghub@nhs.net)**
